CAR SHORTAGE HOLDS BACK GRAPE SHIPMENTS

The Moving of Sonoma Valley's Wonderful 1922 Grape Crop Is a Serious Problem.

With but a small percentage of the wonderful 1922 wine grape crop in Sonomma Valley harvested, hundreds of tons of grapes from here are yet to be moved and the car shortage is a very serious menace. A few refrigerator cars have been secured and to date several have left Kenwood and Agua Caliente for the eastern market. Grapes consigned to points within the state are leaving the valley in box cars, but growers are generally pessimistic over the outlook for sufficient cars to move the crop.

Grapes have been shipped from the Kunde vineyards in refrigerator cars, the C. B. Williams Company having bought six cars and succeeded in getting them started toward their eastern destination.

The Goldstein vineyards report sufficient refrigerator cars on hand at present to take care of grapes already picked. However, this mountain ranch will have at least 500 tons to move and 24 men are now picking the grapes, which will soon be ready to leave Agua Caliente for the market. Motor trucks are being used this season to haul the grapes down from the Mt. Pisgah vineyard, and despite the grades and rough roads, make several trips daily.

The Madrone vineyards of Mr. Engelbert are shipping white grapes in box cars to a Santa Clara county winery. The buyer of the crop is hopeful that refrigerator cars will be supplied for other varieties about to be harvested. The grape crop on Madrone was sold for approximately $60,000.

Many local vineyardists have sold to the local wineries of Sorini and Sebastiani, prices averaging $80. The localwineries will be the means of saving thousands of dollars to local growers who otherwise would have to contend with the car shortage.

Growers fortunate enough to be supplied with cars have received from $1500 to $2500 net per car for their grapes.

W. E. HELBERG BOUGHT 35 CARS OF GRAPES

W. E. Helberg, representing the C. B. Williams Company, has bought 35 cars of grapes between here and Ukiah. The firm paid all the way from $90 for Zinfandels to $160 for Alicante Bouchets.

LAMBERT TO TEST KEY CASE IN COURT

Upon complaint of local parties that the key contest for a chest of silver advertised by Louis F. Lambert, Sonoma druggist, was in the nature of a lottery, District Attorney Hoyle issued an order for the drug firm to discontinue the contest. Mr. Lambert complied and will temporarily refrain from going on with the distribution of keys with purchases, but already has retained an attorney who will test the case in the courts. Lambert is confident that he will be upheld, as the company originating the idea had the best legal advice as to the rights of those giving away the chest of silver under the contest conditions outlined here. Attorney Frank Sprague will represent Mr. Lambert when the case comes up for hearing in the court.

BUSINESS MEN'S ASSN. CONSIDER ELECTRIC SIGN

The Sonoma Business Men's Association met Monday evening, transacting and discussing a number of important civic matters. The new train schedule on the N.W. P. railroad was protested and the secretary was instructed to take up the train time with J. J. Geary of the company. The previous evening schedule leaving San Francisco at 4:15 is to be requested, with no transfer of passengers at Ignacio as last winter. Great inconvenience resulted from the policy of changing cars at Ignacio.

A letter was addressed to Chief Otterson of Napa thanking him for help proffered at the recent church fire here.

The Association purchased tickets for the Fire Chief Cause testimonial entertainment at Boyes Springs.

The proposition to erect an ornamental electric sign at the head of Broadway to read "Sonoma, in the Valley of the Moon," was discussed at length, several San Francisco firms submitting sketches and plans for the arch. Nothing definite was decided, but the Association plans to make some nice electric advertising display in the near future.

CORCORAN'S HOTEL TO GIVE A DANCE

Tom Corcoran, genial host of the Agua Caliente Springs Hotel, is arranging a dancing party and supper for Saturday evening, Oct. 14th. A big delegation from the navy yard and also from the Commercial Travelers Club at Sacramento will be here for the affair and the general public is invited to participate.

The Del Beach Orchestra will play for dancing. See ad.

Rebuilding of Church Assured

Rev. J. F. Byrne Receives Assurances of Help From Many Friends of the Parish. Monsignor Ryan Spoke.

Sonoma is practically assured a beautiful new and substantial edifice to replace St. Francis church, lost by the parish in the fire of last week. The new St. Francis church will probably be of concrete and of Mission design.

Rev. J. F. Byrne has received gratifying assurances and pledges of help from the many devout parishioners and friends of the parish and will go about the necessary work of rehabilitation with his characteristic zeal and enthusiasm.

As yet the rehabilitation plans are not fully matured, but Wednesday night at a hastily arranged mass meeting at Union Hall, the Monsignor Ryan, personal representative of Archbishop Hanna, came to Sonoma and addressed the friends of the parish on what the church meant to the community and what noble work would be accomplished in the rebuilding of it. The Monsignor's inspiring talk was the means of awakening great enthusiasm among all who had the privilege of listening to his eloquent plea in behalf of the parish. Many pledges were then and there given and in addition, many assurances of substantial donations to be announced later. A partial list of the pledges secured on Wednesday night are as follows:

Tom Corcoran, $500.
Muller & Downey, $250.
Mrs. Emparan, $150.
Tom Ryan, $100.
A. McMahon, $100.
George Samuels, $100.
Mrs. Thomas Monahan, $100.
Mrs. Steiner, $100.
M. E. Schrempf, $100.
Miss E. Aguillon, $100.
Mrs. N. Heggie, $100.
Miss Amy Heggie, $100.
Mrs. A. Cuicci, $100.
Mrs. J. Walton, $100.
L. H. Green, $100.
Mr. Birnstingl, $100.
Mr. Root, $100.
P. McDonnell, $100.
Tony Cereghino, $100.
Frank Zihlman, $100.

Last Sunday morning mass was celebrated at the convent adjoining the ruins of the burned church and it was an affecting scene as the devout parishioners gathered with their beloved pastor in the temporary place of worship with its improvised altar. Father Byrne tried to give a sermon of comfort and reassurance to those of the stricken parish who were present, but words failed him and overcome with emotion he concluded with the impressive words that divine help would be theirs and if the good people of the parish were loyal, all their hopes for a new church would be realized.

Tomorrow morning at 9 o'clock, mass will again be celebrated at the convent and at 11 a. m. the customary services at Boyes Springs.

FIRST NATIONAL BANK'S CHARTER IS RENEWED

A handsome certificate extending the charter of Sonoma's First National Bank for 99 years, was received by the officials and directors of the bank this week. The charter bears the name of D. R. Cressing r, comptroller of currency.

The First National Bank of Sonoma was incorporated Aug. 20, 1912, and originally was granted a charter for 25 years. The success and soundness of the institution since its founding is recognized by the government as the terms of the Cressinger document shows.

Fred Batto is the president of the bank, N. J. Heggie vice president and cashier and Miss Amy Heggie, assistant cashier.

CONGRESSMAN LEA HOME FROM WASHINGTON

Congressman Clarence F. Lea is home from Washington, having left the national capital following the close of the congressional session on Sept. 22nd. He arrived in Santa Rosa suffering from a severe cold and has been at Bartlett Springs recuperating.

With his customary conscientious attention to national business, he will return to Washington next month to resume activities for his district.

Congressman Lea is a member of the important committee named by President Harding to investigate coal conditions in the United States.

While here he will look into the needs of the district he so ably represents.

FEDERAL COURT IMPOSES FINES

The Federal Court at Sacramento, presided over by Judge Wm. C. Van Fleet heard several cases involving Volstead violations this week. Among those who paid a fine was L. Marioni, $750.00 being the amount imposed and paid in this case.

ENGAGEMENT OF POPULAR COUPLE IS ANNOUNCED

The engagement has been announced of Miss Mae Kearney and Al Roy Aubrey of San Francisco, son of Mrs. Thomas Monahan of this place. Miss Kearney is the only daughter of Joseph Kearney of a pioneer SonomaValley family. As her mother died when she was quite young, she was raised by her aunt, Miss Emily Kearney. She is a young lady of estimable qualities and beloved by a large circle of friends.

Roy Aubrey is a young man of good education who, after service in the navy during the war, accepted a fine position as a department head with the Studebaker Motor Company of San Francisco.

Both the young people are popular socially and their wedding, early in 1923, will be preceded by a number of social affairs in their honor.

CITY TRUSTEES TO FORCE STREET WORK

At the regular October session of the Board of City Trustees Wednesday evening, Trustees Bulotti, Bates, Lewis and Lindley were present. After a report from the marshal and recorder, bills were audited and ordered paid.

A resolution was introduced and passed to compel property owners to make improvements on streets and sidewalks as heretofore requested by the city. A. Beretta, the Wooster estate and others will be effected by the resolution.

The extension of the sewer on Patton street was up for discussion. $100 was appropriated for street improvement work on First Street West.

The Board adjourned to Friday evening, Oct. 6th. The following bills were paid: S. A. Robinson, $1:00; Calif. Tel. & Light, 118.59; Mission Garage, $1.50; R. C. Specht, 17.00; F. Duhring, 81.82; H. W. Gottenberg, 15.00; J. H. Albertson, 16.00; E. Cornelius, 7.50; R. McDonnell, 30.00; R. Quartaroli, 100.00; U. S. Rubber Co., 260.00; Index-Tribune, 8.04; E. Bartoli 21.08; W. J. Locke, 30.00; Sonoma City Water Co., 56.00.

DUCK HUNTER HAD NARROW ESCAPE

H. H. Hunt, the well known owner of the Chase tract, had a narrow escape from drowning when his rowboat upset in the Petaluma river above Black Point where he was duck hunting Sunday.

Mr. Hunt was alone and while pulling in his anchor the boat overturned, throwing him into the water. Despite his rubber boots and ammunition, he managed to right the boat and after climbing in, baled it out sufficiently to make shore. He recovered all his effects and brought home 15 ducks.

BENEFIT FOR CHIEF CAUSE BIG SUCCESS

Boyes Springs Theatre Crowded and Splendid Vaudeville Show Was Presented.

The testimonial benefit to Chief W. B. Cause Thursday night at Boyes Springs was a wonderful success. It was like a great family party, people from near and far having gathered together to pay homage to the public spirited man who has done so much for fire protection in Sonoma Valley.

Clever professional performers lent their talent to the affair and an exceptional vaudeville show was enjoyed by the enthusiastic audience which filled the theatre. Stanley's Silhouettes, "In Shadowland" were great laugh producers and went over big.

Harry Prince's orchestra, (by courtesy of Louis Parente, of the Tavern) played for the acts and for dancing.

Baby Filadora did impromptu dancing as a prelude to several numbers and won the hearts of all.

Miss Evelyn Draper, a popular San Francisco dancer, and Miss Hazel Delphine, another artist of grace and beauty, put on "Cave Man Kiddies," clad in rompers and big hair bows. The song and dance team proved top notchers and were likened to Gus Edwards' talent.

Sylvano and Delphine repeated their success, the Argentine Tango and the Waltz Classique and created a furore.

Johhny Dale was there a million with his inimitable dancing and patter. Miss Ethel Davis, possessor of a onderfully fine trained voice, sang The Song of the Soul, Absent and other fine numbers. Harry Prince by special request, sang That Old Irish Mother of Mine.

A handsome floral tribute of chrysanthemums arrived from San Francisco as a greeting to Chief Cause from Battalion Chief Davis, Second Assistant Chief Murray and Battalion Chief John Garvan.

There were speeches and felicitations by Mayor Minges and others, with fitting response from the Chief himself. It was a gala night at Boyes Springs.

HAD APPENDIX REMOVED BY DOCTOR BOOLSEN

Dr. S. Boolsen who has offices in the Bulotti building was the operating surgeon on Arthur Kirby of Kenwood who was rushed to the Mary Jesse Hospital, Santa Rosa, Saturday, Sept. 23rd and had his appendix removed. The patient is doing nicely.

Mrs. Eliza Shepard leaves Thursday for New Orleans, where she will represent the auxiliary of the American Legion at the national convention.

LUCKY STRIKE CIGARETTE

EL VERANO NEWS

By ARCHIBALD McKIVER

Fred Jensen of San Francisco was a visitor here over Sunday.

Mrs. J. Lahoo of San Francisco is the guest if her sister, Mrs. J. Hanlis.

William Minkel spent the week end in San Francisco on a pleasure and business trip.

Misses Nellie and Mary O'Brien have leased their home place and have moved to San Francisco.

Captain Muldowney and wife of San Francisco are spending the week at their summer home here.

Buck Carpenter, mayor of Baxterville, was a prominent visitor here on Sunday. The official is a busy man these days, having many new improvements to make in his section. He is also considering the building of a race track on which to exercise his thoroughbred mustangs and to promote horse racing.

Mr. and Mrs. A. L. Gale, accompanied by Mrs. L. Mouyer, motored to Napa one evening last week.

Louis Boissoneau, El Verano shoe doctor, was visiting in Oakland and San Francisco over the week end.

Eugene Dutil, former El Verano native, and wife, of San Francisco, were visiting relatives over Sunday here.

Harry Kreyden, retired and pensioned U. S. navy man, is registered at Oak Grove, from San Francisco.

John Basileau and family motored to Placer county Sunday, and spent the day with friends, returning Monday.

Eli Bichi, El Verano Beau Brummel, has gone to San Francisco to accept a position and to attend night school.

Bill Rudolph, an ex-Seal and crack ball player, is here from San Francisco and is registered at the Oak Grove Resort.

Mrs. J. Staudinger and daughter have returned to San Francisco after several weeks visit at their summer cottage here.

Emmile Dutil, a San Francisco detective, accompanied by his family, was here Sunday visiting relatives and friends in his old home town.

The Franquelin Bros., Sonoma Valley alfalfa kings, have been busy unloading a carload of alfalfa in the S. P. yards here, which was shipped in from Woodland.

The Johanssen well boring outfit is busy sinking a well near the El Verano Villa. It is rumored that a new business block will be built on this corner in the near future.

Miss Nellie Andrews and Mrs. M. Notrica have returned from a pleasant trip to San Diego and will spend several weeks visiting their folks here Mr. and Mrs. Jack Andrews.

On account of the new change of time on the N. W. P. R. R., the morning mail for the El Verano post office will arrive at Verano at 11:05 instead of at 9:32, as formerly.

Who says that Mrs. J. Sutter and Mrs. J. Staudinger are not good boxmakers? Mrs. Staudinger made so much money that she will be able to stay in San Francisco for the winter.

Louis Kearney, Sonoma Valley's leading ball fan, who would rather see a ball game than eat, motored to San Francisco Sunday to cheer his favorite team, the Santa Rosans, to victory.

Buck Holley, middleweight boxer, after a tour of California and Oregon, has returned to the Parente Tavern, where he has started light training in anticipation of matches in the near future.

The Shell Oil Company will, in the near future, establish a service station at Boyes Springs adjoining the Baines real estate property. Work has already commenced on the new structure.

Senator-elect Pat Gray of San Francisco is registered at Sonoma Grove. Pat is well known in the valley and his many friends are glad to see him. He was re-elected at the August primaries.

Bill Cummings, popular traveling passenger and freight agent for the N. W. P. R. R. passed through town Monday evening, enroute to Santa Rosa. Bill's many El Verano friends were glad to see him.

Today, Oct. 7, is the last day to register. Deputy Registering Clerk Tom Mullen will be at Mullen's store till 8 o'clock this evening. As this is the last day to get on the great register, don't fail to call.

The large freight trains over these lines, requiring a day and night shift, have been made up from 70 to 75 cars. The Santa Rosa division is one of the heavy freight lines of the S. P. Company, and by the looks of the strings of cars, the company will have a prosperous year.

Monday in San Francisco, Miss Marie Minkel, popular daughter of Mr. and Mrs. W. J. Minkel of El Verano, was married to A. Johnstone, assistant S. P. ferry ticket agent, of San Francisco. Miss Minkel for several years has been in the employ of the S. P., in the information bureau at thatplace. The happy newlyweds have left for a

"PULLED IT OFF" HERE

Eustace Cullinan, leader in the campaign against the proposed water and power act, on Monday sent the following telegram to the Press Democrat, charging proponents of the act with trickery in their campaign methods:

Have read in the Press Democrat of Sept. 27, the announcement that a debate on the water and power act will be held in Santa Rosa Oct. 5th. No invitation to participate in such debate has been received by us. I wish to denounce the trick by which the promoters of the water and power act in various communities announce debates, fixing time and place without knowing whether or not the speakers against the act will be able to participate.

We are willing to participate in debates, provided we are consulted in sufficient time ahead to suit the convenience of our speakers and provided we know the conditions of the debate and debate is not in territory where a sufficient number of debates or meetings have already been held.

This trick has been played several times by promoters of the act. They create the impression that the opposition had agreed to a debate and when no opponent appears they give out that the opposition is afraid to meet them.

Arrangements of these debates in that fashion is a cheap political trick.

MORE THAN A VOTE

Judge Seawell's victory at the primaries has done more to exalt our courts and the tribunal of justice than any other concrete incident we can recall in years. It goes to show that the people desire to elevate a jurist who represents the highest type of judicial character and that they were interested enough in the high office to which Judge Seawell aspired to discover that of all the candidates he inspired the greatest confidence and admiration. That a still handsomer majority will be credited to the Judge at the November finals is the confident prediction of thousands of friends throughout California. A vote for Judge Emmet Seawell is more than a mere vote—it is a splendid opportunity to raise the tone of the state judiciary, to illumine the Temple of Justice.

WHAT THE REPUBLICAN STATE COMMITTEE SAYS

Hiram W. Johnson, as nominee for United States Senator, and Friend W. Richardson, as nominee for Governor, are equally the representatives of the Republican party. And they should get equal support from the Republican organization. The citizens of California who comprise the electorate of the state will decide at the polls in November what is best for the welfare of the state. And the welfare of the state calls for the election of Hiram W. Johnson and Friend W. Richardson.

THE DANGER OF THE WATER AND POWER ACT

If we socialize any of our great industries we will see the political management which follows getting rid of the men who occupy higher positions of technical experts and their places will be filled by politicians and political appointees whose special qualification for office is their ability to get votes for the men higher up and not a knowledge of the positions they would occupy. We have all seen it work wherever city, county, state or national government takes over the operation of industry.

The blight of socialized industry will arrest progress and finally abolish it entirely. For proof of this compare the government owned and operated public utilities of Europe with our own great privately owned public utilities which furnish the poorest citizen with electricity, gas, water, tansportation and telephone service as part of the necessities of life, not as luxuries for the wealthy few in Europe.—Manufacturer.

OAKLAND FIRE CHIEF ON AMENDMENT FIVE

Fire Prevention Week runs from Oct. 2 to Oct. 9. The president of our United States, Warren G. Harding has by proclamation designated Monday, Oct. 9, as Fire Prevention Day.

Eighty California fire chiefs from that many separate municipalities petition you to aid them in promoting practical fire prevention. Many civic organizations and clubs, including the San Francisco Real Estate Board, Los Angeles Realty Board, Civic League of Improvement Clubs, Hotelmen's Association, Building and Property Owners' Association, San Francisco Commonwealth Club, and the California Housing and Building Institute are with us in this work. We are all supporting the new State Housing Law, because it is a valuable instrument in the public interest and because it will reduce fire waste, afford protection to life, and particularly to women and children.

We direct your attention to the misleading publicity campaign of the opponents. The housing law does not prohibit wooden shingles—it regulates the use of roofings so that each city may say where and what kind of roofings shall be permitted. This may be readily accomplished by the local officials fixing fire zones or they may permit wooden shingles painted or treated to render them fire resistive or otherwise.

S. H. SHORT,
Chief Oakland Fire Dept.

Mrs. Grover Rubke entertained the Jolly Twelve Wednesday and tonight the hubbies of the members will be included at a party presided over by the Vineburg hostess.

PAINTERS ARE HELD BLAMELESS FOR FIRE

That all due precaution was used by Muller & Downey, the painters who were working on St. Francis church at the time of the fire is the belief of Rev. Father Byrne and all those acquainted with conditions preceding the conflagration. The painters carried bulbs and water bottles with them for emergencies and had given orders to keep the blow torches very low. However, a sudden wind arose and it is believed a spark fell into a crevice below where the men were at work, and a blaze started in the hollow column on the front of the church before it was noticed.

When Muller & Downey first saw the fire, it was beyond control and the smoke was so dense that they were forced to descend to protect their lives.

Muller & Downey, who are among Sonoma's most popular and public spirited citizens, are sympathized with by a large circle of friends. The unavoidable and unfortunate occurence cost them several hundred dollars worth of equipment.

The Ladies Aid of the Congregational church will meet at the home of Mrs. Charles Cutter Tuesday afternoon, Oct. 10th.

Estimates and General Jobbing

J. O. LUND
Phone 15-F-13 Sonoma, Cal.

OUT OF THE FIRE NOZZLE

Chief W. B. Cause has appointed a fire department Captain in all districts of the valley and the residents of the different districts will kindly report all fires in their respective districts to the Captain as soon as possible so as to facilitate matters in case of fire as every minute means a lot in saving of property and possibly life.

The Captains of the different districts are as follows: Schellville, Frank McGill; Vineburg, Louis Martin; El Verano, Louis Lamotte; Sonoma Vista, Walter Stuermer; Agua Caliente, Willie Cohen; Glen Ellen, Julius Pancarzi.

Be sure and notify these Captains as soon as possible, and remember they have charge of all fires in their respective districts until their superiors arrive. Pay attention to these men as they know how to fight fire.

The noise of the siren on the chemical engine is not to frighten the people of the valley nor is it done for pleasure. The siren is blown to notify all motor driven and all other vehicles that a fire engine is on its way to a fire. For the benefit of those who do not know as well as to some that do, I will state that there are only two vehicles that have the right to use a siren, a fire engine and an ambulance. They have the right of way over all vehicles which are required to come to a stop until the fire engine or amgulance have passed.

The Valley angel was called last week at 11:00 a. m. to fight a fire on the Bailey, Krause and Lubocco tracts and soon had the fire under control, again demonstrating the valuable service of the Valley Fire Department. It is remarkable what a sigh of relief to the people when they hear he siren blow.

J. F. LAUX IS TRAINMASTER

The many friends of John F. Laux, the popular conductor of the N. W. P., who for some time has been in charge of the night freight train and who is one of the best known, most efficient and popular conductors on the road, will be delighted to konw that he has been promoted to trainmaster, the management having decided to have a trainmaster for each division.

He will be trainmaster of the southerly division and will make his headquarters at Willits and with his wife will move to that place to reside.

John Laux is the son of Mr. and Mrs. Herman Laux of Second street east and has a host of friends in Sonoma Valley.

LOCAL AND PERSONAL

Lieut.-Col. Herbert Shaw, U. S. A., has been transferred from Douglas, Ariz., to Texas, and will move there shortly.

Mrs. Neal Dodge and little daughter, Maybelle Evangeline, were over from Petaluma last week for a day at the Simmons' home.

The little son of the Johnsons, newcomers residing near the Clements rench, broke his arm this week. Dr. Hays set the injured member.

Mrs. Brendel and little daughter returned to their Schellville ranch via the Valente & Steurmer bus line Monday evening after a visit in the bay cities.

The ladies of the M. E. Aid Society will give a harvest festival and New England dinner on Friday, Oct. 13th. Dinner will be served at 5 p. m. and there will be a sale of fruits and produce.

Miss Helayne Volquardsen and mother have returned from a trip to San Francisco. Miss Volquardsen was away for two weeks and was entertained by her brother and his wife.

Mr. and Mrs. Ralph Evans are contemplating a trip to Southern California. Evans is a star of the base ball diamond and will go to Santa Monica with the Santa Rosa Elks' team.

Harry Seidman, proprietor of the Valley of the Moon Dry Goods Store was in San Francisco this week from Sunday until Tuesday, combining devotional duty on Monday with business on Tuesday.

Mrs. J. Steiner of the Union Hotel is contemplating a trip to Sacramento to visit relatives, including a cousin, Joe Keechler, who has been seriously ill. She will also visit in San Francisco for a few days before returning home.

Mr. and Mrs. J. B. Parrent drove their sedan to Woodland, Yolo county, Sunday, where they visited with friends. Coming home they faced the electrical storm, but being used to such weather in the East, did not mind it.

Dr. Elizabeth Fitzgerald of Worcester, Mass., has come from her home in the East to make a tour of the Pacific Coast and visit her brother, William Fitzgerald, of Sonoma Vista. Dr. Fitzgerald motored here Seattle and will remain some time. She is a noted skin specialist of Worcester.

FIRE AT LUTGENS HOME

Shortly after the noon hour Saturday last, the fire department was summoned to the Lutgens home on Second Street East, but the blaze had been extinguished before the engine arrived.

An oil stove in the kitchen caught fire and for a time threatened the beautiful home. Adolph Lutgens, who was taking a bath, rushed to the kitchen and put out the blaze.

Upon hearing the cry of fire, Will Clewe, a neighbor hurried to his home for a fire extinguisher and the firemen from Sonoma and Boyes Springs were summoned.

The quick smothering of the flames saved the premises from damages and although the prompt response of the fire departments was much appreciated by the Lutgens family, their services were not necessary.

NEW EGG STATION INTERESTS POULTRYMEN

That the new egg buying station established here by E. A. Curtis, the Petaluma Egg King is interesting Sonoma Valley poultrymen is evidenced by the increased number who are selling to the new concern. Already over 25 leading producers are selling their eggs to the new station on Broadway. The firm however wants more Sonoma eggs and in this issue of the Index-Tribune on page seven will be found an interesting message from Mr. Curtis. On Wednesday the farmers were paid 58½c for firsts, 47½c for pullets and 26½ for pewees, less 8%

Eggs are retailing at 5c each or better.

CHARGED WITH LARCENY

E. Mollerius was taken to Napa Thursday to answer to a charge of larceny, following the disappearance of a quantity of silverware and other articles from the Veterans Home at Yountville. He had been employed at the institution.

"She Has Metatarsalgia"

This is a very prevalent foot trouble, especially among women. Metatarsalgia is caused by the arch across the ball of the foot breaking down, which displaces the tiny bones. Callouses form on the sole, soft corns develop between the toes and excruciating pains occur in this region. The foot spreads and the shoe loses its shape.

To secure quick relief and restore the foot to normal condition

Dr Scholl's Foot Comfort Appliances

should be fitted. Dr. Scholl's Anterior Metatarsal Arch Support shown below is especially designed to correct this trouble. There is a special appliance and remedy for every foot trouble

SONOMA CO. FOLDERS MAY BE OBTAINED

The following letter from H. J. Waters, who has been the conscientious and efficient secretary of the Sonoma County Board of Trade, is self explanatory:

W. L. Murphy,
Editor Index-Tribune,
Sonoma, Calif.

Dear Friend:—

In accordance with the dictates of the Board of Supervisors, the Sonoma County Board of Trade will cease to function Saturday, Sept. 30th. No funds have been provided to carry on the work during the present fiscal year.

The board was in splendid shape to carry on a constructive plan of publicity this year which was outlined in a former communication. This had to be abandoned.

In laying down the work I wish to express to you my sincere thanks for the hearty co-operation you have extended me at all times in the past year. It has been a pleasure to ask favors from such boosters and I trust that you will continue to boost for the best county in the state.

We have a few of the folders issued last summer for distribution and a quantity of the envelope enclosures, which I hope that you will see are used this fall. I will be glad to send you any quantity you can use. We have five sets of moving picture films which are being used all over the country. One has been in use in San Francisco all summer.

I sincerely hope that every effort will be made by the commercial organizations and the newspapers to have a county exhibit at the state fair next year. Only by constant unanimous action and boosting can this be done. Many smaller counties spend several thousand dollars annually in this way and they reap big returns on the investment. To accomplish anything worth while work on the exhibit should begin in May and continue until the close of the fair.

Very truly yours,
H. J. WATERS.

SCHELLVILLE FARMER HAS FINE TOMATO CROP

Erhardt Steiger, the Schellville farmer has one of the finest tomato crops in the Sonoma Valley. The tomatoes are of an excellent variety and of exceptional quality. Mr. Steiger and his good wife are justly proud of their three acres of tomatoes.

Hamil Wagnon of San Francisco, where he is teaching school, underwent an operation for tonsil trouble last week.

NOTICE INVITING BIDS

Office of the Clerk of the Board of Supervisors of Sonoma County, California, Sept. 12, 1922.

Sealed bids will be received by the Clerk of the Board of Supervisors of Sonoma County, California, at his office until 12 o'clock M., Oct. 10, 1922, and will be publicly opened and read at 1:30 o'clock for the construction of SONOMA STATE HIGHWAY Road Sec. B, Station 75-00 to 110-00 in First Supervisorial District in Sonoma County.

Specifications for this work are on file in the office of the Clerk of the Board of Supervisors, and in the office of the County Surveyor, which bidders are hereby referred to.

A copy of the plans and specifications can be procured from the Clerk of the Board of Supervisors upon depositing $10.00 with said Clerk, said deposit to be returned upon return of copy.

Estimated Quantities

Length 9500 feet (1.79 miles).
Excavation (unclassified) 3500 cu. yds.
Crushed Rock---------1580 cu. yds.
Asphaltic Surfacing----19,000 sq. yds.
12 in. corr. iron pipe------26 lin. ft.
15 in. corr. iron pipe-------26 lin. ft.
18 in. corr. iron pipe-------26 lin. ft.
Total estimated cost-------$11,877.00

W. W. FELT, JR.
Clerk of the Board of Supervisors.

DR. F. O. BUTLER WENT EAST THIS WEEK

Dr. Fred O. Butler, superintendent of the State Home at Eldridge, accompanied by his wife and baby, left for the East Monday. Mrs. Butler will visit the doctor's folks in Iowa, while the doctor continues his journey as a member of the California party conveying 70 patients from this state to the state or county from which they originally came.

The patients from other states who are at the state home having resided in California less than a year, may be sent to the state from which they came, according to reciprocal arrangements. Alien patients who have been here less than five years may be deported at the expense of the steamship company that transported them to America.

The benefit of the deportation to the state of California may be seen when it is known that the cost of deportation is $100 a patient, while the cost of caring for a patient is $200 a year for the eight years that the average individual is confined in the home.

On the 70 patients deported in this one party $105,000 is saved to the state, for the deportation costs amount to $7000, while the care of the patients for eight years would be $112,000.

This is the third party that has been sent out of the state this year.

FELDER AND SGANZINI BUY PURE BRED BULLS

The new plan of purchasing pure bred bulls now in operation in Sonoma and Marin counties is attracting the attention of educators and leaders in the dairy world. A. H. Mathieson of the U. S. Dairy Division is coming here next week to study the plan. Charles Hughes of the State Holstein Association will spend next week here visiting the dairymen that may be interested in Holstein bulls. F. E. Howard, an Ayreshire breeder of Santa Rosa will tell the dairymen what he knows a pure bred Ayreshire bill will do to herd production.

Prof. Gordon H. True, head of the Animal Husbandry Department of the University of California is also interested in the plan and will be here soon.

E. H. Stenquist, chairman of the committee at Sonoma reports the sale of a Holstein bull to Joseph Felder and one to C. Sganzini.

B. B. Hinshaw of Petaluma sold a Holstein bull to R. Larsen of Petaluma.

JUDGE SEAWELL LED ALL CANDIDATES

Judge Emmet Seawell led the field of four candidates contending for the two long term vacancies as associate justice of the supreme court at the August primary election, according to the official tabulation of votes just completed by secretary of state, F. C. Jordan.

The official figures, which were not carried in the news dispatches, and have not, heretofore been published, were received today by W. C. (Cap) Holliway from the secretary of state's office. They show that Judge Seawell polled a vote of 287,512, leading Judge W. A. Sloane by 10,699 votes. Judge Frank H. Kerrigan by 19,867 and Judge Charles A. Shurtleff by 51,725. The official vote was as follows:

Seawell—287,512.
Sloane—276,813.
Kerrigan—267,645.
Shurtleff—235,787.

All four candidates will be on the November ballot when the two highest will be elected.

SAME DOCTOR OPERATES ON COUPLE FOR APPENDICITIS

S. Rosenthal, proprietor of the well known resort at Verano has returned from San Francisco where he underwent a successful operation for appendicitis.

Mrs. Rosenthal is now preparing to undergo a similar operation and will have her appendix removed by the same surgeon who operated upon Mr. Rosenthal.

Friends of the Rosenthals trust they will both be restored to complete health through the operations.

BLACK POINT HIGHWAY CONSTRUCTION REPORT

The following is the latest reort just received from the ex mining engineer in connection with the Black Point cut-off:

Grant Shith Contract

This work is progressing rapidly. The finished grade ready to receive asphalt is now within 8200 feet of the easterly terminus of the work. Three and one-half inch asphalt is now complete to a point 1000 feet east of Sears Point. Both asphalt plants at Black Point are working to full capacity.

The effect of the auxiliary plant upon the progress of this work is most noticeable.

The percentage of completion on this job as of Sept. 23, 1922, is 72.48 and if the work be carried on at the rate of the preceding six days this contract will be completed insofar as the public is concerned on or about Nov. 3, 1922.

Healy Tibbetts Gravel Road

This work is showing fair progress, being prosecuted at a rate slightly less than that previously reported.

Subgrading is about completed through the worst portion of the route and much gravel has been placed. Water is now being used liberally resulting in more speed and better work.

The percentage of completion on this job as of Sept. 23, 1922, is 88.49 and proceeding in the future based on the progress of the past six days, we may look for completion of this contract on or about Nov. 10, 1922.

H. H. JONES,
Examining Engineer.

REV. RATHBONE PASTOR OF CLOVERDALE CHURCH

The Rev. Leland D. Rathbone, who retired as pastor of the Congregational church 17 years ago, and has been general secretary of the Northern California Conference of the Congregational churches for the past 14 years, has accepted the pastorate of the Cloverdale Congregational church, and will move there the first of the month.

WOMEN FROM ELDRIDGE CAUGHT AT PETALUMA

May Moffett, aged 24 years, and Ethel Lepere, aged 30, escaped from the Eldridge home on Wednesday of last week and wandered several days in the country, where they secured fruit in orchards and were given food at the ranch houses they visited. The young women were picked up in front of the post office in Petaluma by Officer Otto Rudolph. They told him they were tired and hungry and wanted to rest. The officer took them to the city hall and gave them supper. Later they were given a bed in the woman's ward in the city hall.

May Moffett, the youngest of the two, is a very attractive young woman and talks intelligently. She said her father placed her in the home four years ago after the death of her mother, and that he had promised to take her home and it was for the purpose of locating him that she ran away. Her father is residing on a ranch in Marin county, and the girls traveled almost to Olema in search of him. They decided to give up and were given a ride back to Petaluma.

The Moffett girl says she has been cured and is anxious to get out to earn her own living. Her companion did not have much to say. The girls were made comfortable and later returned to the home.—The Petaluma Courier.

PAVING CONTRACT IS LET BY STATE

A contract for paving eight and one-half miles of highway bwetween Napa and Calistoga has been awarded by the State Highway Commission at a bid of $216,507.

Besides the stated contract price, the state will furnish materials valued at $19,244.62, which will make the cost of the eight and one-half miles of road $235,751.51. The commission's estimate was $235,229.

The Valley of the Moon Chapter O. E. S., contemplates the giving of a ball during the winter season.

Cut down the Fuel Bill

Fill a good oil heater with Pearl Oil. At the touch of a match you have a cheery, friendly heat for very little cost. And you can easily carry this comfortable warmth from room to room—wherever it is wanted—with no heat wasted in unused rooms.

Pearl Oil is economical. Every drop delivers real heat when and where it is needed. Pearl Oil is refined and re-refined by our special process, making it clean burning—no dirt—no smoke—no odor.

Sold in cans and in bulk by dealers everywhere. For your own protection order by name—Pearl Oil.

EL VERANO NEWS

(Continued from Page Two)

honeymoon trip which will take in Texas, New Orleans, Niagara Falls and New York. The bride's home town is El Verano and her many Sonoma Valley friends extend congratulations. On their return they will make their home in San Francisco.

Walter Paulsen, at Napa bridge on last Sunday, landed the limit, five nice bass, ranging from 5 to 10 pounds These beauties were on exhibition at the Vincent butcher shop the first of the week and the disciple of Isaac Walton is receiving many compliments on his lucky catch.

Dave Forni and Bill Baines have captured the Isaac Walton belt for crack anglers. Last Friday in the wilds of Wingo these two fishermen landed five nice bass, ranging from eight to twelve pounds. This is the best catch yet made, and the fish were beauties. The boys left a nice cut of the fish at the office of the writer, which he greatly enjoyed and for which he extends many thanks.

Two of our rising young Beau Brummels and coming society chaps had a set-to Saturday evening, when one of the principals of the affair claimed relationship to Strangler Lewis, champion wrestler of the world. Words led to blows, and a pretty encounter followed, with Archie McKiver as referee. After some milling, the bout was declared no contest, with the understanding that the writer get in communication with the great wrestler and get the facts of the relationship of Lewis and the El Verano native of the western foothills. The boys shook hands and motored to Dillon Beach Sunday to cool off and take the sea air. Nobody hurt.

Joe Entleman, brake on the S. P. night freight, last Saturday morning at 4 o'clock, slipped from the top of a refrigerator car while the train was near Melitta, breaking his shoulder and suffering other injuries. After recovering from the fall, having lain dazed beside the track for some time, young Entleman started toward Santa Rosa, being picked up several miles this side of that place and taken to the office of the company's physician, where his injuries were attended to. At this writing the young man is out of danger. He formerly resided at Pioneer Grove near Boyes Springs, with his father, A. Entleman, who was formerly a Sonoma Valley real estate man. The injured brakeman was removed to the S. P. hospital at San Francisco Monday.

IMPROVEMENTS DO CREDIT TO CONTRACTOR

A record for speed was made on the improvements at the First National Bank this week. A new floor was built and several joists were replaced between closing time Saturday and opening time Monday morning. New floor covering completes the improvements, which add much to the appearance of this attractive banking institution. J. Monk was responsible for the job of neatness and dispatch.

Mr. and Mrs. Ben Behler are building a fine new home on their ranch above Glen Ellen, to replace the house destroyed by fire some time ago.

NOTICE TO THE PUBLIC

I will not be responsible for any debts contracted by anyone in my name.

PORTOLA COMMITTEE'S INVITE TO MRS. EMPARAN

Mrs. Lulu Emparan received an invitation this week to attend the luncheon given by the Downtown Association of San Francisco to launch the Portola festival.

In writing to the daughter of General Vallejo, the chairman of the committee, Harvey M. Toy, said: "Knowing your distinguished ancestry and undoubted interest in the history of our state, I was sure you would like to be present."

The luncheon was held Thursday noon at the St. Francis Hotel, but a prior engagement kept Mrs. Emparan from accepting.

MR. AND MRS. H. V. DuBOIS IN AUTO ACCIDENT

H. V. DuBois, the prominent dairyman of the Napa county side and his wife were in an automobile accident in Napa City Saturday evening and were painfully hurt.

The big Cadillac touring car of Egbert Smith skidded on a curve near the county infirmary and went into a ditch. Mrs. DuBois was badly bruised and Mr. DuBois is suffering from an injury to his back and is under the care of Dr. Hennessey.

Sonoma friends will await reassuring news of the recovery of these good people.

Mr. DuBois is one of Napa county's most progressive citizens.

M. STEIN HAD AUTO WRECK

M. Stein, the well known peddler, had a serious accident on the Petaluma road Wednesday, when his auto truck, forced over the embankment by a passing machine, turned over four times and landed at the bottom of the canyon. Stein escaped with slight injuries, but his truck, recently rebuilt, was wrecked beyond repair. The chassis was towed here following the accident.

N. S. G. W. HAD VISIT FROM GRAND TRUSTEE

The Native Sons, Sonoma Parlor, received an official visit Monday evening from Grand Trustee Waldo Postel of San Francisco. His fine talk was much complimented and he was given a most pleasant social evening following the meeting.

CARD OF THANKS

I take this means to thank my friends for their splendid appreciation of my services in the fire department as evidenced at the testimonial benefit Thursday evening and also wish to express my appreciation to all those who lent their talent to the entertainment. To the San Francisco chiefs and captains who sent me the beautiful floral tribute I am also greatly indebted. With assurance of continued effort in behalf of the protection of life and property in Sonoma Valley, I am, gratefully yours,

CHIEF W. B. CAUSE.

CARL BARNARD,
Santa Rosa, California,
Attorney for Administratrix.

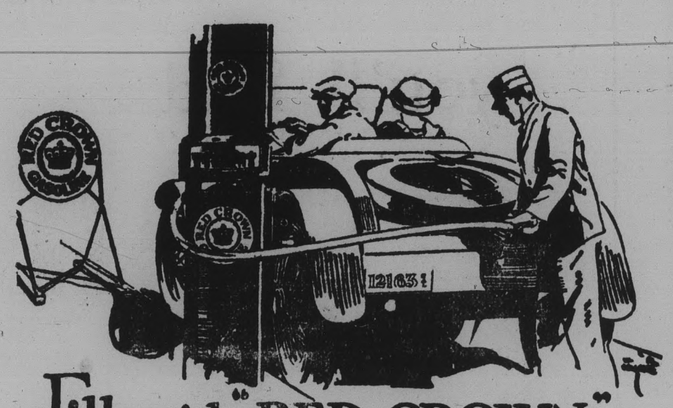
Blending by Chesterfield's method (based on our private formula) produces a mild cigarette that is at the same time completely satisfying.

No other combination of tobaccos achieves this result. Chesterfield's Turkish-Domestic blend can't be copied.

Chesterfield
CIGARETTES
of Turkish and Domestic tobaccos—blended

WE state it as our honest belief that for the price asked, Chesterfield gives the greatest value in Turkish Blend cigarettes ever offered to smokers.
Liggett & Myers Tobacco Co.

"They Satisfy"



Fill with "RED CROWN" and nothing else

Motorists who follow this rule in their gasoline buying find that they not only save money—because "Red Crown" yields more per gallon mileage—but improve the power and stamina of the motor.

"Red Crown" enables your car to develop the maximum of power that its makers built into it. It vaporizes rapidly and uniformly in the carburetor, and is consumed completely in the cylinders. Uniform wherever and whenever you buy it—hence you don't have to bother with carburetor adjustments.

Fill at the Red Crown sign—at Service Stations, garages, and other dealers.
